

## **Welcome to the UC Davis Advantage! CEM Quarantine Upgrade**

Improvements include:

- Completely renovated stalls and larger runs (60' x 16') with kickboards
- Special weatherproof grid system to provide consistent footing in runs
- Stalls fully matted with seamless matting, including floor and walls
- Riding arena and round pen with brand new all-weather footing
- Saddle, blanket and bridle racks available in stall foyers

In addition, the UCD Center for Equine Health continues to offer:

- Top quality care from our experienced team of technicians and veterinarians
- Customized exercise programs with our rider, Alan Pymont
- Specialized farrier service
- Free Flow Equicizer exercise program

**Upgraded CEM building naming opportunities are available.**

Donor recognition includes:

- VIP use of the named building for any imported horse or associate's horse
- Memorial plaque on sponsored building in honor of a horse, person or Foundation
- Inclusion in the Center for Equine Health 'Silver Stirrup' honor roll
